Li Jin,

Congratulations! We are very pleased to inform you that you passed the May 2021 Level III CFA® exam. The pass rate for the May 2021 Level III CFA exam was 42%.

Throughout your CFA Program journey, we have furnished you with granular score reports in order to assist you with future test preparations. Now that you have passed LIII, the way to recognize your achievement is through the CFA charter itself. Those who pass LIII will not be provided with a granular score report.

Congratulations on your achievement!
